PREFACE

सा विद्या या विमुक्तये

"That is knowledge which liberates [one from bondage]"

In pursuance with its motto, **KN BAKSHI COLLEGE OF EDUCATION** has been established by **KARMATAND FOUNDATION** to provide high quality teacher education with latest teaching methods, techniques and infrastructure. A team of highly qualified professionals, educationists, bureaucrats, philanthropists and social activists have worked hard to give their vision a shape so that it becomes a model for others to follow in the field of setting up high standards of institutions through tireless activism. We today need high quality infrastructure in remote areas of the country so that decentralisation and balanced development is achieved across the nation. This can only be done by taking up projects which are in consonance with the needs of balanced growth so that our people living in the interiors of the country are not deprived of their right to avail equal opportunity and high quality facilities. We believe that this kind of efforts will go a long way in empowering our people through education and knowledge which may liberate them from all kinds of bondage in real sense.

" The education which does not help the common mass of people to equip themselves for the struggle of life, which does not bring out the strength of character, a spirit of philanthropy, and the courage of a lion -- is it worth the name?"

-Swami Vivekanand

OUR VISION

गुरुर्ब्रह्मा गुरुर्विष्णुः गुरुदेवो महेश्वरः ।
गुरुः साक्षात्परब्रह्मा तस्मै श्री गुरुवेनमः ॥

Gurur-Brahmaa Gurur-Vissnnur-Gururdevo Maheshvarah I
Gurureve Param Brahma Tasmai Shri Guravenamah II

[The **Guru** is **Brahma**, the **Guru** is **Vishnu**, the **Gur Deva** is **Maheshwara** (Shiva), The **Guru** is **Verily** the **Para-Brahman** (Supreme Brahman); **Salutations to that Guru**]

Indian civilization and culture has highest regards for teachers. since time immemorial education is held as highest virtue and teachers are respected in the society. Dr. Radhakrishnan believed that "teachers should be the best minds in the country". In the context of our rich civilizational heritage and in pursuance of the need to produce high quality teachers, KN Bakshi College of Education has been established.

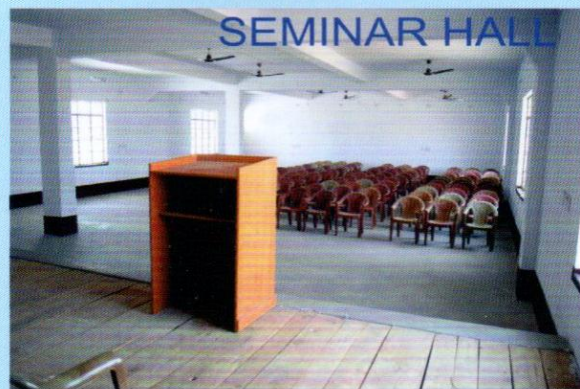

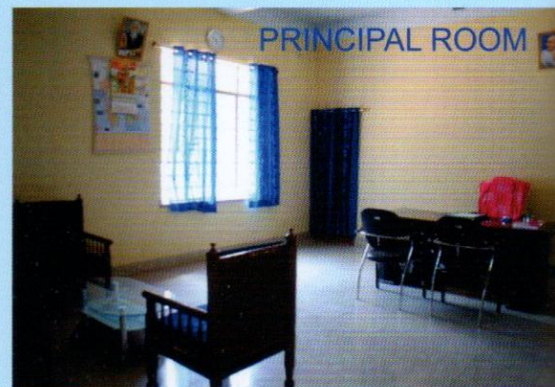

Swami Vivekanand has said, "Education is the manifestation of the perfection already inman". The role of the teacher is to facilitate that manifestation. It is an art as well as science. The modern education needs to be facilitated through teachers who are well versed in their craft so as to secure the future of coming generations. It is a task of great responsibility as the future of the nation is dependent upon it. The aim of the College is to train and prepare high quality teachers who can educate the coming generation with high academic standard and equip them with required skills and education. The college seeks to produce high quality teachers who can mould the coming generation into world class citizens leading the humanity towards its highest achievements and glory.

" The end-product of education should be a free creative man, who can battle against historical circumstances and adversities of nature.
-Sarvepalli Radhakrishnan
