"Remedial class"

04/05/2023 (Thursday)

Today on 04/05/2023 (Thursday) a "Remedial class" was organized on the topic "Importance of Teaching aids" at KN Bakshi College of Education, Karmatand. In which today's class was conducted by college teacher Dr .Rajesh Ravidas . Dr .Rajesh Ravidas explained the "Importance of Teaching aids" in detail to the students. Teaching aids are the means through which teachers make their teaching-learning process effective. Teaching aids work to make the learning process permanent and interesting. Under the teaching aids, the work is done to explain the topic to the students through pictures, globes, charts, models etc. Due to which students play an active role in the learning process. Teaching aids are also known as Teaching learning material. This is an excellent means to make teaching effective. It was an informative session for the students. The main objective of today's class was to explain it to those students who could not understand the topic well in the previous class.

outcome :- At the end of the class feedback was taken from all the students in which the students said that they had understood today's content very well.
